A Message from Robert H. Swartley '75 Chair, Board of Trustees

Dear Friends of Keystone:

This is truly an exciting time to be a part of the Keystone College community!

Thanks to the College's dedicated faculty, administration, staff, and especially our students, Keystone is poised to expand its role as one of the leading institutions of higher education in Northeastern Pennsylvania.

Earlier this fall, Keystone made a big splash in the local and national news with the introduction of the highly innovative Keystone Commitment Loan Repayment Assistance Program (LRAP). Under the program, which will be provided free of charge to full-time freshman students beginning in the fall of 2017, Keystone graduates working at least 30 hours per week and earning less than \$40,000 per year will receive loan repayment assistance based on their annual income. Although our graduates leave with some of the lowest debt in the North, according to *U.S. News and World Report*, this innovative program helps to ease the burden of loan repayment so students can choose the career which is best for them.

The Keystone Commitment complements our well-known Keystone Promise, which pledges that graduates will be accepted into a graduate program or receive at least one job offer within six months of graduation or have the option of returning to Keystone for additional coursework or career guidance at no additional cost. (For complete details of the Keystone Commitment and Keystone Promise, visit www.keystone.edu/admissions.)

These two exciting programs demonstrate the type of innovative approach Keystone takes to ensure our students receive a quality education during their time in school and then stands behind graduates from the moment they receive their diploma. Of course, this is just the beginning. We will continue to explore every means available to provide the best possible education to our students as they prepare to become successful professionals and productive citizens.

To accomplish these goals, we need your assistance. By making a gift to Keystone, you not only make an investment in our beloved College but in the students who will soon become the next leaders in our society. We ask that you continue, and if possible, increase your contribution so that Keystone will thrive and remain a special place that educates students not only for productive careers but for meaningful lives. Thank you for all you do Keystone College!

Sincerely,

Robert H. Swartley '75

John H. Harris Society

In 1868, Keystone Academy was founded by a group of visionaries who wanted the youth in their community to have access to an education and a promising future.

In order to construct the first building, they scouted the 21 acres of land and selected the highest point, cutting through briars to reach the rocky knoll. For the next two years, members of the community came together to help with the construction and bring the vision into reality, until the building, now known as Harris Hall was completed in 1870. This society, named after John H. Harris, who was a founder, benefactor and first President of Keystone College appropriately reflects the steadfast commitment and the unwavering loyalty to our mission that our consecutive donors represent. We can never achieve alone, what we can together. The donations that you have made have served as the foundation for the future, and together you have built it brick by brick.

The inaugural members were inducted into the John H. Harris Society at the 2016 Donor Reception on Friday, May 13, 2016. The steadfast commitment of these donors is remarkable and much appreciated. This Society recognizes individuals and businesses who have given 10 consecutive fiscal years or more.
