Keystone College
DONOR REPORT

message from the board of trustee chair and the president

A Message from Harry E. Dowling '69, Chair, Board of Trustees

The 2010-2011 academic year ended on a high note as we proudly presented Keystone College diplomas to 341 members of the class of 2011 during our 140th Commencement exercises – the highest number of graduates in our history. This August, we welcomed 1,400 full-time students and 375 part-time students to campus on opening day – another record. More than 500 students have chosen to reside on campus – yet one more milestone. This growth in student population has been on a steady rise over the past 15 years: in 1995 total enrollment was 909; in 2000, 1,237; in 2005, 1,646, and today our total student population is 1,775.

We are well ahead of projections in achieving the enrollment, academic, fiscal, advancement, and environmental goals set forth in our 2009-2012 strategic plans and are already building on this tremendous progress as we begin to set our course for the next three years.

Looking ahead, we are keenly aware that we continue to face external pressures on our fiscal affairs as the economic downturn persists. This year, we will receive about \$1 million less than last year from certain state and federal programs. In order to offset these government funding cuts, we have reduced operational budgets and personnel expenses. We will remain vigilant in our efforts to control spending so that we remain successful in meeting our financial goals. Despite these concerns, we are able to continue to offer strong academic, athletic, and extracurricular programs; provide financial aid packages that enable deserving students to acquire a top notch education; keep our technology up-to-date; and maintain our facilities and grounds.

Keystone's ongoing success is a partnership effort among many. This includes our dedicated faculty and staff, who are the backbone of our campus; our trustees and advisory boards, who provide guidance and expertise; our students, who always make us proud; our parents, who entrust us to prepare their sons and daughters for lifelong success; and you, our donors, who provide the vital financial support needed to fulfill our goals.

The impact of your gifts in 2010-11 was significant. We surpassed our fundraising goal, with a total of \$1,218,120 in support this year. Of this, \$486,629 was designated for use where the need is greatest; \$382,280 was restricted for specific purposes, such as scholarships and special projects; and \$349,211 was earmarked for capital projects. As always, Keystone assures that your investments are spent wisely, with every dollar helping to bring tangible benefit to our students and our campus.

As we plan for the future, we are very excited about the growth that is yet to come. Thank you for being an important partner as we continue our journey together.

A Message from Dr. Edward G. Boehm, Jr. President

On behalf of our campus community, I am honored to offer our extreme gratitude to our faithful donors for your generous support. We are humbled by and deeply appreciate your choice to make supporting Keystone a priority, despite the challenging economy. Your generosity enables us to help our students to fulfill their dreams, whether they are dreams carried in their hearts since childhood or newly ignited during their time spent on campus.

This report honors the support of our loyal friends – over 2,000 donors strong during the past fiscal year. While the motivations to give a gift are personal and are unique, a common thread is a love of Keystone College, a remarkable place whose mission, values, and vision has touched the lives of so many. There is a story behind every gift, and we have sprinkled a few within these pages to give you a sense of who our benefactors are and what motivates them to give of their time, talent, and treasures. Perhaps these stories will allow you to reflect upon your own special Keystone memories. Please, tell us your story. We would love to hear it!

With your ongoing support, I'm positive Keystone will remain a remarkable place in which dreams are launched and destinies fulfilled. With your support, anything is possible.

A handwritten signature in cursive script that reads "E. Boehm, Jr.".

The Donor Report, a special edition of the Keystoneian, recognizes gifts given between June 1, 2010 and May 31, 2011. We regret any inadvertent omissions and thank all of our contributors for their generosity.

If an error has been made please accept our apologies and notify us at (570) 945-8175 so the error may be corrected.

"Keystone was the right place at the right time for me because of two gifted and caring faculty members who patiently went the extra mile with an academic underachiever. It was also the right place because of a coach who knew when to say a kind word and when to poke me in the ribs. Keystone made a difference, a difference that has lasted a lifetime. The Keystone experience represents a defining moment in my life, as well as my wife, Mary Lu's, who is also a Keystone graduate. Our support is driven by our gratitude." - Robert Kagler '57

"We give to Keystone because for every dollar we give the College, it seems we see two dollars worth of positive improvements. Although we attended other universities after Keystone, Kathy and I both agree that giving to Keystone College makes a difference that is appreciated. We are comfortable in the knowledge that Keystone spends our donation dollars carefully, with sound ideas to back up their actions.

We both feel good about the time and money we give to Keystone College. It is the wisest choice we continue to make!" - Ric '96 and Kathy '96 Krebs

"Keystone provided me with an education that has helped prepare me for what I do in life professionally, as well as the experiences and values that shape who I am. My contribution to the senior gift was a small way to say thank you for believing in me and giving me the tools to become all that I can be! The Harris Hall lounge is a legacy of our class that will benefit many students. This is the first of many gifts that I hope to be able to give to Keystone College."
- Scott Bensinger '11

Scott Bensinger in the Harris Hall lounge, made possible through a gift from the Senior Class 2011.

"Keystone is a very special place to us for many reasons, most importantly, because we met at the College 40 years ago. It is also special because we realize that Keystone is creating opportunities and fulfilling the dreams of its students. It is for this reason that we support the College and were involved in supporting the renovation of the Hibbard Campus Center." - Paul '71 and Cathy Antosh '71 Wendolowski

Supporting the Future of Keystone College

More than ever, gifts from alumni and friends are vital to sustaining our tradition of excellence at Keystone College. Student tuition covers only a portion of the expenses for each Keystone student.

The College looks to alumni, parents, employees, corporations, foundations, and friends to bridge the gap between tuition and actual educational costs.

Your gift represents a sound investment in the future of our College and our students. Opportunities to participate in the charitable support of Keystone College with a lasting and meaningful contribution are many and varied.

Annual Fund

A gift to the Annual Fund allows Keystone College to use your contribution where it is needed the most. Gifts from alumni and friends help sustain the College's high academic standards and fiscal stability. You may also pay tribute to an individual who touched your life in a special way by making an annual fund gift in his or her honor or memory. Gifts can be made through cash or through one-time or recurring charges to most credit cards. For more information please contact Jessica Pierson at (570) 945-8163 or jessica.pierson@keystone.edu. Gifts may also be made online by visiting www.keystone.edu/makeagift.

Planned Giving

Through proper planning, alumni and friends can support Keystone College in a meaningful way while maximizing tax benefits for themselves. In some instances, gifts to Keystone College may help provide an income or other economic benefit for the donor and/or their loved ones. A variety of gift options is available and may be appropriate for your own special needs. These include trusts, annuities, and gifts of property, mineral royalties, stock, insurance, and more. For additional information on planned giving

options please contact Kathy Statsman at (570) 945-8165 or kathy.statsman@keystone.edu. For information on bequests and becoming a member of the Evergreen Society please contact Donna Clemens at (570) 945-8155 or donna.clemens@keystone.edu.

Howard Jennings Nature Preserve Endowment

The Preserve assures a protected environment for wildlife and a place for education, recreation and outdoor enjoyment. For more information, please contact Sharon Burke at (570) 945-8175 or sharon.burke@keystone.edu.

Scholarships

By creating a scholarship, alumni and friends can provide current and future Keystone College students with the resources needed to pursue an education. An annual scholarship may be created and supported yearly with a gift restricted to the named scholarship. Annual scholarships average \$1,000. A Keystone College scholarship fund can be endowed with a minimum gift of \$10,000 and can serve as a lasting tribute in honor or in memory of someone. For more information please contact Donna Clemens at (570) 945-8155 or donna.clemens@keystone.edu.

Community Impact

Keystone's impact is felt well beyond the classroom. Since its founding in 1868, the College has been committed to serving the needs of the community, stewarding our natural resources, and contributing to the region's economic health. The College serves as an anchor for its surrounding communities in the form of jobs, revenues, infrastructure, and service.

This past year, our students participated in more than more than 50 community service and volunteer projects which helped our neighbors in need. We opened our facilities and grounds to provide gathering space to 28 community groups. Thousands participated in educational, environmental, and cultural programs offered on campus and enjoyed our beautiful hiking trails and outdoor recreation opportunities offered on our newly created Howard Jennings Nature Preserve.

The College provided employment to 557 individuals at a payroll and benefit investment totaling more than \$14 million. Employees contributed \$147,774 to local municipalities and over \$300,000 to the state of Pennsylvania in earned income tax. We provided community and economic development in the form of \$3.2 million spent on goods and service, with the majority spent in our region.

The presence of Keystone College adds to the overall vitality of our region and provides our neighbors with many opportunities to interact with visiting artists, dignitaries, academic leaders, and esteemed lecturers. We often partner with Factoryville Borough on projects, which benefit both the community and the campus, and we take great pride in our positive town and gown relations.
