

2012-2013 RECOGNITION OF DONORS

Keystone  
College

## A Message from Thomas G. Speicher '72, Chair, Board of Trustees

The past year has truly been a remarkable one at Keystone College. In May, we bid a fond farewell to beloved former Keystone President, now President Emeritus, Dr. Edward G. Boehm, Jr.

In June, we welcomed Dr. David Coppola as Keystone's 10th president. In the months that have followed, Dr. Coppola has been leading the charge to build upon Keystone's proud history and build an even stronger future.

The beginning of Dr. Coppola's tenure represents an enormous opportunity for all who care so deeply about Keystone. As Vice President for Strategic Planning and Administration at Sacred Heart University in Fairfield, Conn., Dr. Coppola played a key role in leading that institution from primarily a commuter college to a thriving comprehensive university. He is well prepared to lead Keystone on a remarkable journey of our own.

Dr. Coppola has identified six strategic goals for Keystone to implement through 2015. They are:

- Develop programs and services that will enable our students to succeed in the increasingly complex and global market place.
- Improve our facilities and the campus environment to support student living and learning.
- Increase the retention and graduation rates of our students.
- Recruit and retain a diverse and talented faculty and staff committed to student success.
- Promote those characteristics of Keystone College that distinguish and differentiate us from other colleges and universities.
- Enhance the capacity to engage alumni and outside constituents to raise funds that advance the mission of the College.

It's important to emphasize the sixth and final goal referring to raising funds is by no means the least important. In many ways, it is the most critical. We need the financial support of the entire Keystone community to achieve our goals. We ask that all alumni and friends of Keystone College continue to contribute their time, talents, and treasures to help our College move forward to a vibrant and successful future. By doing so, you will play a key role in helping Keystone students realize their dreams.

Sincerely,

Tim Speicher '72  
Board Chair

## Change a Life

Sophomore Jennifer Davis is making the most of her time at Keystone College. The business major balances a very busy schedule while maintaining an impressive 4.0 GPA.

Thanks to the Kagler Family Endowment, Jennifer receives much appreciated financial support. "It's no secret expenses add up quickly, and Mr. and Mrs. Kagler's generous gift allows me to achieve my dream

of furthering my education. I only hope someday I can give back and provide a Keystone student with such a wonderful gift."

Take a stroll through Keystone's campus and you'll come across many students who have received scholarships. In fact, many would not be here without the support of our donors as more than 90% of Keystone students receive some form of financial aid.

Please help Jennifer and other students continue their Keystone education by supporting scholarships at Keystone. You may be surprised that the life changed is your own. On behalf of all Keystoneians, thank you.
