Keystone College®

Recognition of Donors

BELIEVE. BELONG. **BECOME.**

A Message from Robert H. Swartley '75 Chair, Board of Trustees

Dear Friends of Keystone College:

Each time I write this letter for our annual Donor Report, I have the privilege of conveying some of the many exciting developments taking place at Keystone College.

Last year, I was able to write about the Keystone Commitment Loan Repayment Assistance Program, which continues to play a key role in easing the burden of loan repayments many students face upon graduation.

This year, I'm equally excited to share the news about the many improvements to our College campus, which is already among the most beautiful you'll find anywhere in the nation.

The Keystone Commons Development Project, scheduled to be finished in the spring or summer of 2018, will serve as a wonderful gathering place for Keystonians and members of the local community.

Whether it's grabbing a cup of coffee at Dunkin Donuts, a burger at Steak 'n Shake, or working off a few of those excess calories at the health and fitness center, which is also part of the project, our students will have more opportunities than ever to come together and share the genuine friendships that make Keystone so special.

Added to this excitement, the new College Entranceway project will soon become a reality, dramatically changing the main entrance to campus and further beautifying College Avenue with a variety of streetscape improvements.

Finally, the new Trolley Trail, a joint effort between the non-profit Countryside Conservancy and the Keystone College Environmental Education Institute, provides another beautiful new hiking trail on our scenic Woodlands Campus.

Announcements such these continue to increase the positive momentum we are seeing at Keystone. To everyone who has played a role by offering financial contributions as well as contributions of time and talent, we express our most sincere gratitude.

We also ask for the continued support of our alumni and friends everywhere. By helping to build the future of Keystone College, you are contributing to the growth of young people who will someday become the leaders in our communities and in our nation.

Thank you for all you do to support Keystone College each and every day.

Sincerely,

Robert H. Swartley '75

John H. Harris Society

In 1868, Keystone Academy was founded by a group a visionaries who wanted the youth in their community to have access to an education and a promising future.

In order to construct the first building, they scouted the 21 acres of land and selected the highest point, cutting through briars to reach the rocky knoll. For the next two years, members of the community came together to help with the construction and bring the vision into reality, until the building, now known as Harris Hall was completed in 1870.

This society, named after John H. Harris, who was a founder, benefactor and first President of Keystone College, appropriately reflects the steadfast commitment and the unwavering loyalty to our mission that our consecutive donors represent. We can never achieve alone, what we can together. The donations that you have made have served as the foundation for the future, and together you have built it brick by brick.

The steadfast commitment of these donors is remarkable and much appreciated. This Society recognizes individuals and businesses who have given 10 consecutive fiscal years or more.

1868 Society, Lifetime Giving Over \$100,000

Keystone College gratefully acknowledges its donors at all levels of giving. Of course, the best reward for your contribution is the knowledge that you have made a difference in the lives of our students. Keystone would like to take an opportunity to publicly recognize the following alumni, friends, foundations, corporations, and matching gift companies for their extraordinary levels of giving, each with lifetime contributions in excess of \$100,000, and listed within our 1868 Society giving segments. Thank you for including Keystone College in your generosity.
