- Meningococcal Meningitis A,C,Y,W-135. **If first dose prior to age 16 a second dose is required.**

**Pennsylvania State law requires all college students to receive information about meningitis/meningococcal disease and the vaccine, and to either receive the vaccine before coming to college, or sign a waiver.**

## **Student Health Portal**

- Students who are registered for classes will have access to the Student Health Portal up to 90 days prior to the start of classes.
- The Student Health Portal can be accessed thru the link on the current students page at keystone.edu, MyKC, or the Keystone College Health Services page.
- You will use the same user name and password as your Keystone email and MyKC.
- Complete and submit all forms (please note some forms have a time limit of 15 minutes, please save your information periodically).
- Click 'document upload' and upload your immunizations, insurance card, and Physical (athletes/international students)
