Success Based on the Keystone College Promise.

Keystone College

Stairs to Success

A Four-Year Developmental Plan for Student Success Based on the Keystone College Promise

The **Keystone Promise** is our pledge to every Keystone College student that within six months of graduating from Keystone College you will have received at least one job offer or been accepted into a transfer or graduate program.

If followed and completed, the Keystone Promise requirements are designed to prepare a student to be competitive in the market post-graduation. However, in the event an offer does not occur within six months of graduating, the student is eligible to receive a personalized career development plan that may include up to 12 additional credits of free coursework.

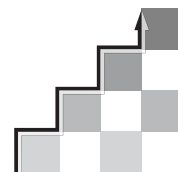

All activities described in Keeping the Promise are designed as educationally purposeful experiences guided by national experts in education and student development models and strategically placed within the semester or academic year most appropriate to a student's developmental needs.

Keystone College

Vision: Keystone College strives to transform lives and the region by inspiring and empowering students to live in a diverse community where responsibility, integrity, mutual respect, and life-long learning flourish.

Mission: Keystone College opens doors to rewarding careers in a student-centered environment, that teaches students to think, communicate, create, and problem-solve effectively within a diverse, ever-changing world.

Hello New Keystoneians!

Welcome to Keystone College, the place where you can believe in yourself, belong with a group of amazing students, staff, and faculty, and where you will become your best self.

We're glad that you have decided to join the Keystone Family. Please know that we—your instructors, your academic advisors, your resident directors, and everyone else on campus—are ready to help you figure out your new College.

There is an overall structure to the Keystone College experience. Every curriculum program is carefully constructed to teach you the foundation you need, then let you build on that foundation into the specific area you are most interested in. Similarly, your co-curricular life at the College has structure. There is a First Year Experience, then a Sophomore Year Experience, and so on. Plus, the Career Development Center has a set of steps that you'll start now, to help you be ready for the job market when you graduate.

Stairs to Success is designed to help you understand the structure of your college experience, so you can see the specific steps you should take to get the most out of your education and be the most prepared to step into the world beyond the College.

By following the Stairs to Success, you will spend your time here wisely. And when you graduate, if you've taken all the steps outlined in this booklet, you'll be covered by The Keystone Promise, our pledge to you that within six months of graduating, you will have a job offer or a placement in graduate school.

Your future begins now, so let's take the first steps together!

Sincerely,

Tracy L. Brundage, Ph.D.
President, Keystone College

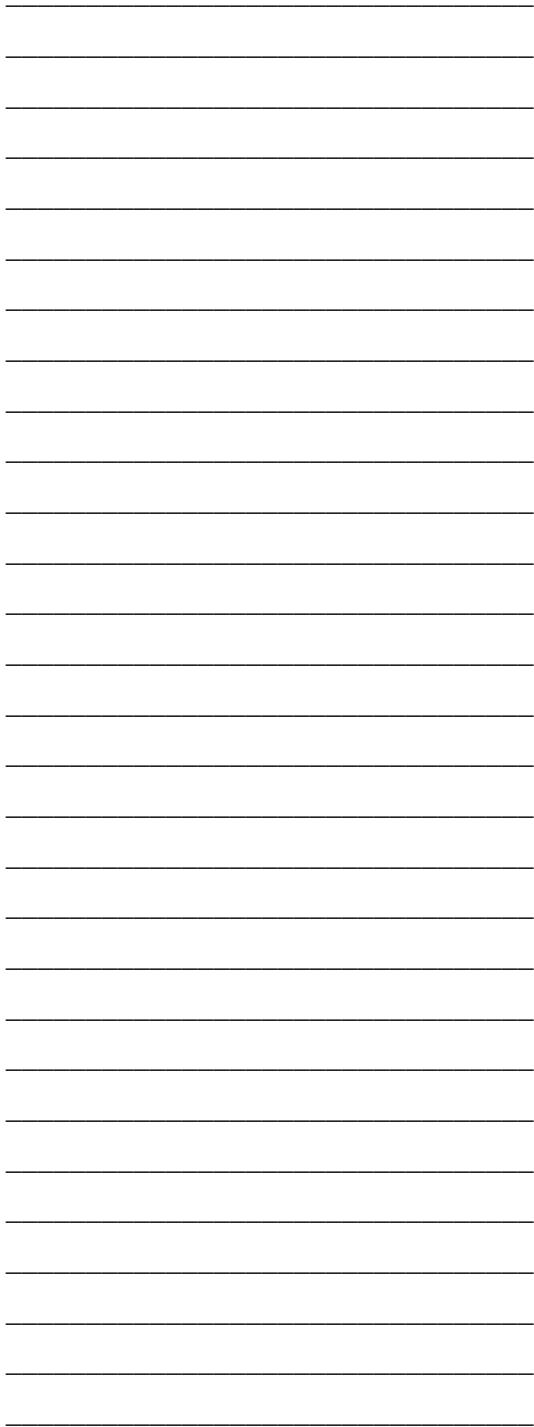

Notes: _____

- [illegible]

- ☐ Download your major's Academic Map
- ☐ Know your advisor's name
- ☐ Schedule a meeting with your advisor to discuss expectations and how your interests, goals, and values fit into your major
- ☐ Schedule another meeting with your advisor to prepare for next semester's course registration

- ☐ Explore how majors align with career paths of interest
- ☐ Login to Handshake

- ☐ Complete the FOCUS® Career Assessment Program
- ☐ Complete the Keystone Promise Career Plan and have it reviewed

- ## Student Life:

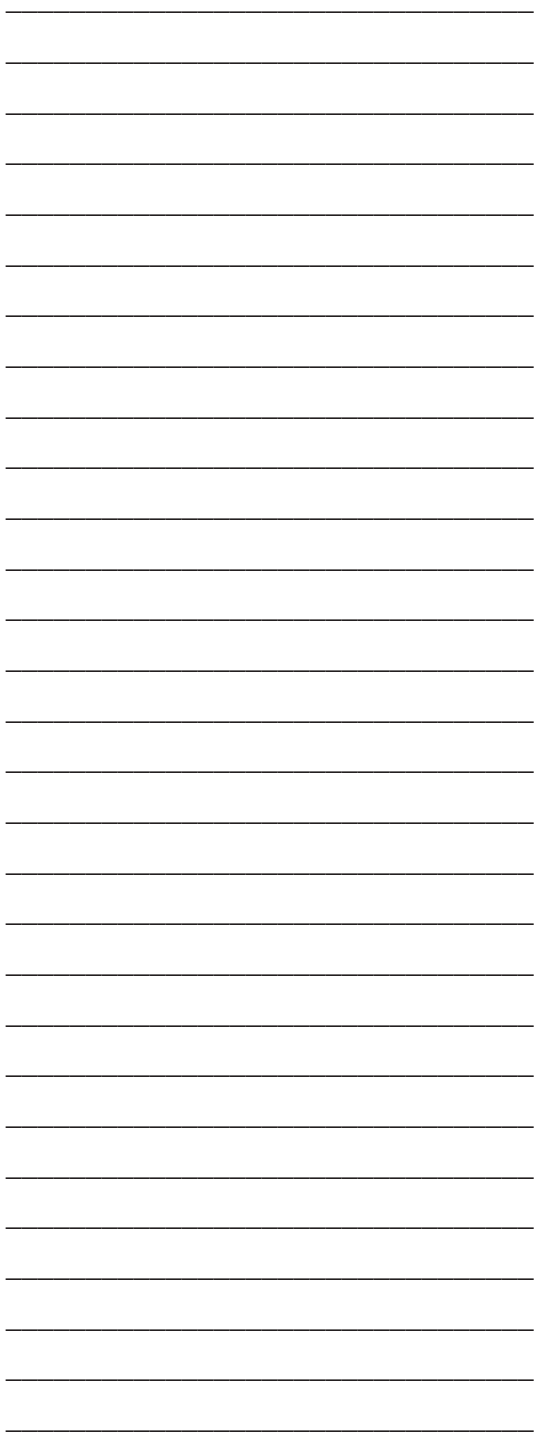

- ### Key Events:

- www.keystone.edu/stairstosuccess ■ 2019-2020 Overview

- ☐ Participate in civic engagement and service learning with a project that fosters your passion and skills
- ☐ Take a leadership role in civic engagement, Residence Life, clubs and organizations on campus
- ☐ Continue to get involved in activities and participate in service opportunities

- ☐ Annual Leadership Conference
- ☐ Homecoming and Family Weekend
